

Heather Lake Homeowners Association

November/December 2016

WINTER WEATHER

The association does not salt or remove snow/ice from the walk path around the lake, so walk at your own risk.

Just a reminder that there is no skating on the pond. Our weather is not conducive to a thick, solid ice formation.

THANK YOU!!

Don Hornbeck for taking the time to update the Heather Lake's website with previous newsletters, meeting minutes, and board members.

Tom Nutini for continuing to support the Association regarding lake maintenance, mowing, and other common grounds activities and contractors.

Eric Jones for performing some needed tree trimming around the lake.

You guys are a part of what keeps this place looking great & your time and effort are appreciated!!

2nd half Association dues are due by the end of December. The budget (including lake maintenance, mowing, entrance maintenance, etc.) for the entire year is based on all of the lots paying their full dues. Please make sure that you are paying your dues ASAP.

WELCOME NEW NEIGHBORS!

The board is working on updating the Architectural Design Review manual to correct some of the outdated requirements (i.e. paint colors, material colors, types of materials, tree sizes, etc.). If you would like to provide input on this topic please contact a current board member by 12/31/16.
