

Heather Lake Home Owners Association

June 2018

The Board has been working diligently to find and accept bids from contractors to fix the drainage issues on the southwest side of the lake. Our targeted timeline to hopefully have this resolved is Fall 2018.

2018 COMMUNITY YARD SALES

FYI: If you would like to set up your own yard sale and have a good turnout, several local neighborhoods are planning yards sales for the weekend of June 9th.

YARD SIGN REMINDER

SOLD

Please consider that our covenant states: No sign of any kind shall be displayed to the public view on the Lots except: one professionally prepared sign advertising the lot for sale.

Spring is the time to get heavy yardwork done. However, please do not leave trailers out on your property for an extended period.
Thank you!

Remember to please help your pets be a courteous neighbors too.

- Keep them under control at all times.
- Pick up their waste on walks.
- Manage any excessive nuisance barking.

Got roof stains? The humid climate and fiberglass shingles help colonies of cyanobacteria grow on and eventually stain a roof. These dark streaks are not only unsightly but are also damaging to shingles over time. Luckily, such issues can be treated by products from a local home improvement store or by several local businesses.
