REMEMBER!

Just a reminder that your dog(s) must be confined or under reasonable control at all times. Be sure to leash your dog as a habit, as a matter of civil practice, a courtesy to others and to protect your dog from harm (poison/sharp objects in garbage, injury from vehicles, etc.). You can be held responsible for damages which your dog causes to property or people. It is also the responsibility of the dog owner for the safety of our public service personnel, ex-mail carriers, package delivery services and meter readers, etc.

The board invites residents to serve their community by becoming a board member. Bylaws provide for six (6) board members. We currently have three (3) and would like to have a full board to provide the best service to the community possible. If you are interested in serving on the member or as a volunteer, please contact any member below:
