

Heather Lake Association

May 2026 Newsletter

Welcome new residents!

Welcome new neighbors! Please welcome the Fogle's who purchased a home on Wilshire. Welcome to the community.

Thank You

Volunteers play a vital role in the success of Heather Lake and we would like to express our gratitude to Tom Nutini and Carol Scott for their service to the Board

Common Area

Over the last few months Parks and Grounds volunteers have cleaned and planted a new focal area by the lake and chemically cleaned the park benches. It was a huge improvement. We still need volunteers for weed control (we have the chemicals), cattails removal, and general clean up, so if you are willing, please reach out to Rita Mitchell who coordinates the Parks and Grounds. Her email is in the contact section.

Open Board Meeting

The next open Board Meeting will be at the Canal Winchester Branch of the Columbus Public Library. The address is 123 Groveport Rd, Canal Winchester, OH 43110. We are in Meeting Room 3 at 6:00 on Thursday, July 9th. We will be discussing the Covenants, Design Review Manual and have an open floor.

Community Facebook

Did you know there is a Heather Lake Facebook page? To join you have to verify you're a resident with the page Admin, but it's handy for sharing tips, lost dogs, or just sharing pictures.
