

*** NOTICE: Walk Path Upkeep ***

The walking path around our lake will be worked on around **mid-September**, depending on weather. Signs will be posted at the entrances during the maintenance. **Please do not enter the park or step on the path while work is being done and tar is drying.**

Notes from the July Meeting:

- After seven years of service on the board, Eric Jones resigned May 29, 2020 to focus on additional personal responsibilities in his life. We thank Eric for his thoughtful leadership and guidance.
- Presented initial research on Professional Management options. May be necessary given ongoing open positions on the board.
- Lake Updates:
 - Aeration Repairs: The aerators at the lake stopped working in the lake, and the compressor had to be rebuilt. Thanks Tom Nutini!
 - Lake Algae: Excessive algae formation at the lake was treated by The Lake Doctors and was being brought back under control.

Halloween Trick or Treat – Cancelled for 2020:

In normal years, we would be announcing the date and time for Heather Lake Trick or Treat (usually the Sunday prior to DST). This year, health safety guidelines are to limit the types of interactions involved in handing out candy. Regretfully, we are asking residents to avoid door to door Trick or Treat in Heather Lake this Halloween.

YARD SIGN REMINDER

Our covenant states:

No sign of any kind shall be displayed to the public view on the lots except: one professionally prepared sign advertising the lot for sale.
