

Heather Lake Association (HLA)

February 2019

ANNUAL MEETING OF HLA:

THURSDAY, MARCH 21, 2019 6-8 PM

WAGNALL'S MEMORIAL in the Community Building. Located in the smaller building on the North side of the main library.

We welcome all to attend!

2019 BUDGET

The 2019 budget has been approved by the Board and a copy will be provided to each Lot Owner for review. Please bring any questions you may have to the HLA Annual Meeting or feel free to contact a board member. See the back of this sheet for member information.

WELCOME!

The Heather Lake Community would like to welcome Mr. and Mrs. Brandt to the neighborhood.

WINTER WEATHER

The association does not salt or remove snow/ice from the walk path around the lake, so walk at your own risk.

Just a reminder that there is no skating on the pond. Our weather is not conducive to a thick, solid ice formation.

Snow blower quit working? Too cold to go out? Tired of shoveling?

Now that winter is here, a snow removal company can be a life saver.

Heather Lake Homeowners Association

February 2019

Upcoming Bi-Monthly Board Meetings

Board meetings are open to the homeowners. The next meetings are:

Wednesday, May 15, 2019 at 6pm (1954 Wilshire Ln.)

Wednesday, July 17, 2019 at 6pm (1952 Wilshire Ln.)

Please kindly notify a board member if you plan to attend.

News from the January 2019 Meeting:

- Due to record rain in 2018, some of the drainage work around the lake had to be postponed to 2019.
- After the drainage project's completion, the Board plans to begin repairing asphalt around the walking path.
- The Board discussed approaches to discouraging Canada geese from using the lake. ODNR Division of Wildlife has published a set of recommendations we will use as a reference. Community members can help by not feeding the geese. This only encourages them. Physical barriers, images, sounds, and lasers are other options that will be considered.

The following Board position is open:

Parks & Common Grounds Coordinator –

contacts and meets with contractors for park repairs and maintenance, helps to place and take

HOA business calls, provides necessary vote at meetings
