Just a reminder that your dog(s) must be confined or under reasonable control at all times. Be sure to leash your dog as a habit, as a matter of civil practice, a courtesy to others and to protect your dog from harm (poison/sharp objects in garbage, injury from vehicles, etc.). You can be held responsible for damages which your dog causes to property or people. It is also the responsibility of the dog owner for the safety of our public service personnel, ex.- mail carriers, package delivery services and meter readers, etc.

**The Board strongly discourages feeding any birds at the lake. Feeding them will only strengthen their desire to stay.**

## CAUTION

The lake pathway will be repaired some time in the early summer. The pathway will be closed down during the work. Please avoid using the path when you see caution tape and traffic cones.
